

PRE-CON WEANED CALF & YEARLING SALE REQUIREMENTS

All calves pre-conditioned at least 60 days.

REQUIRED VACCINATIONS:

Calves vaccinated twice: At branding or 2-4 weeks prior to weaning and booster at weaning, or at weaning and booster to label instructions. Home Raised and Weaned minimum of 60 days prior to delivery.

- 2 doses 7-way, 8-way or 9-way Clostridial – Section 1 of Vaccination Sheet
- 2 doses viral 5-way (IBR, PI3, BRSV and BVD Type I & II). IBR and PI3 must be chemically altered modified live or modified live with veterinarian's approval. – Section 2 of Vaccination Sheet
- 1 dose Mannheimia Haemolytica (maybe combined with Pasteurella Multocida) prior to weaning or at weaning and booster per label instructions. – Section 3 of Vaccination Sheet
- OR use qualified combination vaccines. – Section 4 is a combination of Section 1 & 3; Section 5 is a combination of Section 2 & 3.
- Internal & External Parasite Control required.

MAINTAIN RECORDS OF VACCINE ADMINISTRATIONS:

- Brand name
- Components included
- Lot or serial number
- Dates administered
- Location of administration
- Always read and follow label directions on all vaccines

TIMING OF VACCINATIONS:

- Second dose must be given at least 30 days before the sale date.
- Follow label directions.
- Spread out different procedures as much as possible in your management scheme.

VACCINE HANDLING IS CRITICAL

MANY MLV VACCINES are not labeled for use in calves nursing cows. Consult your veterinarian.

PRECONDITIONED CALVES:

- Must be weaned at least 60 days or more
- Must have received required vaccinations in a timely and proper manner
- Must be feed and water trough broke
- Must be castrated and dehorned at least to the hairline.
- Must have a NLA ID tag in left ear.

SALE PROCEDURES:

Navasota Livestock Auction Co. will be responsible for issuing NLA tags.

The cattle will be vaccinated according to sale requirements and the NLA tag placed in the left ear. A consignment sheet must be filled out and returned to Navasota Livestock at least 3 weeks prior to sale date.
